Commissioner of Land Revenue.

Read the following:-

Letter from E.M. Gawne Esq., I.C.S., Collector of South
Kanara, R.O.C. No. 1150/33-B-1, dated 23rd May 1933:-

The Tahsildar of Coondapur recommended that the
institution Chillare Mahalinga Dev should be deleted from the
village accounts and that the tasdik of Rs. 28-4-0 due to it
should be added to the tasdik of Basrur Matabar Mahalingeshwar
Dev which has a tasdik of Rs. 2244-4-0 for the reason that the
former institution has no building or idol of its own and that
the enquiry showed that.

(21)

The latter institution has five moktessors. one of whom is one Venkatramana Holla; he is the only moktessor for Chillare Mahalinga Dev. The Inam register shows two separate entries for these institutions?

Venkatramana Holla was asked to state what was the institution of which he was the sole moktessor and where it was. He has evaded examination but in a former statement he has stated that both the institutions are one and the same. The Tahsildar has not been able to find out whether the deity had a separate building. *The Inam register for Coondapoor taluk shows two separate entries for the two institutions.

In view of this and also of the fact the moktessor Venkatramana Holla has failed to prove where the institution 174 Chillare Mahalinga Dev is, I solicit orders whether tasdik can be continued to be paid to him in respect of this institution.

II.

Board's Reference thereon No. 2A 1605-33-1. dated 20th June 1933.-

The Collector is requested to report at a very early date whether the payment of the tasdik allowance of Rs.28-4-0 has been regularly made to the institution of Chillare Mahalinga Dev and if so to whom the allowance has been paid and for how long.

III.

Letter from E.M.Gawne. Esq., I.C.S., Collector of South Kanara, R.O.C.No.1150/33-B-1, dated 31st July 1933:-

Ref.- Board's Reference No. 1605/33-1. dated 20th June 1933.

The Tahsildar reports that the tasdik allowance has been regularly paid to Chillare Mahalinga Dev. Shanker Holla,

an ancestor of Venkatramana Holla, the present trustee, was receiving the tasdik prior to Venkatramana Holla ever since the beriz deducting^{on} system came into force.

Board's Reference No.A.1605/33.5, dated 11-10-1933.

The Tahsildar, Coondapoor has held a detailed enquiry in the matter; but has not been able to find out definitely the origin of these allowances and the nature of the services for which these allowances were granted.

were granted.

With regard to the statement that both the institutions are identical, I enclose a copy of his report with the following documents which form enclosures to his report:-

1. Chitta ^{of} ~~for~~ Basrur Kasba village for Fasli 1227 (B)
(Kanarese)
2. Tasdik account of temples for Fasli 1269. ✓ (D)
3. Register of distribution of title, deeds in the year 1877. ✓ (E)
4. Copy of registered Tahanaman dated 8-9-1878. ✓ (F)
5. Taluk Disposal file No. 393/1929. ✓ (C)
6. List of minor temples of Fasli 1273. ✓ (G)

I am inclined to agree with the ingenious explanation of the Tahsildar that Chillare is not the name of a deity but the Kanarese word (anglicised) for 'balance after expenditure'. The amount of Rs. 28-4-0 may, therefore, continue to be paid to the chief institution.

Copy of letter from M.R.Ry., V. Saldanha, Avargal, B.A., Tahsildar of Coondapoor, D.Dis.No. 5054/33, dated the 7th December 1933, to the Collector of South Kanara.

Your Ref.No. 1150/33-B.1 dated 17-10-1933.

Institution No. 1 Mahalingeshwar Dev of Basroor village is one of the Mathabar (major) temples of this taluk, - wherein daily, fortnightly and annual services are performed. It is said to have been founded by Vasu Chakravarthi (King) of Basroor.

2. From the enquiry held in the case it appears that there is no separate institution or idol called Chillare Mahalinga Dev in the village and that there are no separate services or viniyogas for it. It is reported that Chillare Mahalinga Dev and Mathabar Mahalinga Dev constitute one and the same institution.

3. From the Chitta in Hindvi character of Fasli 1227 as well as from a copy of Chitta of that fasli in Kanarese, it appears that there were one Mathabar (major) temple and

and 20 minor temples in Revenue Casha Basroor village. The Mathabar or the big temple is No.1 referred to above. No.174 Chillare Mahalinga Dev is not one of the 20 minor temples referred to in the chitta. There are 20 separate minor temples in the village with separate amount of tasdik for each temple. There is also no mention of -- Chillare Mahalinga Dev in the chittas or the particulars of services to be performed therein. At the end of page 2 of the first sheet of the Kanarese Chitta it appears - that out of a tasdik of १२४६॥ Varahas (pagodas) allotted to the minor temples १६२६॥ varahas were retained for minor temples and the balance of २६४॥ = varahas to Mathabar temple Varaha in Kanarese means 4 rupees and ६०॥ = ten vises Addo-bele (i.e) 50 pies or Rs.0-4-2. Hence out of 174 varahas plus 0-4-2 = 696-4-2, 167 varahas (i.e) Rs.668/- were - given to minor temples and the remainder Rs.28-4-2 to - Mathabar (i.e) institution No.1. Evidently after making separate allotments of tasdik to the several minor institutions a balance of Rs.28-4-0 (chillare) remains and this was allotted to Mathabar Mahalinga Dev. Hence the term Chillare was a misnomer,. Separate serial number and - title deed might have been given to the balance of Rs.28-4-0 with a separate moktessor to collect it.

4. 174 Chillare Mahalinga Dev in the recent tasdik registers was also called Mathabar Mahalinga in the old registers. This will be evident from the following old documents:-

- D) (1) Tasdik account of temples for fasli 1269 (1859)
- E) (2) Register of distribution of title deeds in the year 1877

(3) Copy of registered Tahanamah executed on 8-9-1878 among the moktessors of Baroor Mahalingeshwar temple.

No.(1) From this register it will be seen against serial No.11 Magne Basroor that the allowance of Rs.28-4-0

was

was shown against Mathabar Mahalinga Dev.

No.(2) Against title deed No.148 the tasdik of --
Rs.28-4-0 with an additional 10 per cent viz., Rs.2-15-0
is equal to 31-1-3 was shown against Mahalinga Devara Mok-
tessor Shanker Holla without naming the insti

No.(3) Sheet 7. From paragraph 20 marked in black
lead pencil it would be seen that Mahalinga Dev has got a
tasdik of Rs.28-4-0 by the name of Chillare Mahalinga with
a separate moktessor Shanker Holla who after collecting the
allowance should pay it to the funds of Mahalinga Dev.

(F)

5. My predecessor Mr. R.Shiva Rao reported to the
President, District Temple Committee, Mangalore in his letter
D.Dis.No.393-D, dated the 8th October 1929 that Mathabar -
Mahalinga Dev has got an additional tasdik allowance of -
Rs.28-4-0 vide this office D.Dis.file 393 D/Rev:29 dated
8th October 1929-enclosed.

6. In the list of minor temples of fasli 1273 (1863)
it appears under serial No.17 of Yelare and Basroor Magnes
that the allowance of Rs.28-4-0 was shown against institution
Mathabar paiki Chillare Mahalinga Dev (i.e) Chillare Maha-
linga out of Mathabar. It is thus clear that there is no
separate institution called Chillare Mahalinga Dev, but that
only the chillare or the portion of the tasdik, that remained
after making necessary allotments to the 20 minor institutions
in the village, was allotted to the Mathabar Mahalinga Dev
with a separate number and separate title deed.

7. The ^{now} collected records are enclosed.
